Summary

A highly motivated and skilled MERN Stack and Java Web Developer with 10+ Months of experience in developing, and maintaining web applications. Proficient in MERN, NextJs, Node.js, Bootstrap, JDBC, JSP, Servlet, and other web technologies. Passionate about learning new technologies and improving coding practices.

Technical Skills

- **Languages:** Java, JavaScript, HTML, CSS
- **Frameworks:** ReactJS, BootStrap, ExpressJS, NodeJS, NextJS, Tailwind CSS
- **Database Technologies:** Oracle, MongoDB, Firebase
- **Tools:** Eclipse, VS Code, Oracle SQL, MongoDB
- **Other Skills:** Database, MS Word, MS PowerPoint, AI

Professional Experience

Full Stack Web Development

Octanet Pvt. Ltd.

July 2024 to Aug 2024

- Developed and maintained web projects using React, MongoDB, HTML, CSS, NodeJs, ExpressJs.
- Optimized database queries to improve performance and scalability.
- Implemented RESTful APIs and integrated them with front-end components.

Java Full Stack Web Developer

Main Flow Services and Technologies Pvt. Ltd.

June 2024 to August 2024

- Developed and maintained web applications using Java, Oracle Sql And Apache, SpringBoot.
- Implemented APIs, Optimized database queries to improve performance and scalability.
- Conducted code reviews and provided constructive feedback to team members.

Mern Stack Developer

Cetpa infotech Pvt.Ltd

July 2024 to July 2024

- Developed and maintained web applications using ViteJs, ReactJs, MongoDB, NodeJs, ExpressJs, BootStrap and Tailwind CSS.
- Implemented RESTful APIs and integrated them with front-end components.
- Optimized database queries to improve performance and scalability.

Education

Bachelor of Technology in Computer Science and Engineering

IMS Engineering College, Ghaziabad

June 2025

- Relevant Coursework: Data Structures, Database Management, Web Development

Certifications

- Java WebDevelopment With AI, issued by HCL Tech, Sept 2024.
- Artificial Intelligence (AI), issued by SkillDzire, Aug 2024.
- Bussiness Intelligence using Power BI, issued by Skill Nation, July 2024.
- CIT(Common Internship Test) Certificate, issued by Internship Studio, July 2024.
- Data Analytics with Tableau, issued by Jobaaj Learning, July 2024.
- Web Development using ReactJS, issued by Shape My Skills, Apr 2024.

Projects

Ten Mentors, Intervue, Ten Internship, Ten Virtual Incubator, Ten Actors, Uptodd , TEN Academy, TEN Chatbot (Full Stack Projects)

- Developed and maintained web projects using ViteJs, React, MongoDB, NodeJs, ExpressJs.
- Optimized database queries to improve performance and scalability.
- Implemented RESTful APIs and integrated them with front-end components.

Ivr Automation, Idea Engine (Full Stack Projects With AI)

- Developed and maintained web projects using ViteJS, Gemini AI, MongoDB, NodeJs, and ExpressJs .
- Implemented Gemini AI, RESTful APIs and integrated them with front-end components.
- Conducted code reviews and provided constructive feedback to team members.

HR Consulting, TEN Travel (Frontend Projects)

- Developed the frontend for HR Consulting and Ten Travel projects using Vite.js and Tailwind CSS, incorporating dynamic navigation, responsive design, and interactive components for improved user experience.

Weather APP, Hangman Game, Calculator, To-do List, Chatbot

- Build a Weather App using HTML, CSS, JavaScript and public using API.
- Developed a responsive weather application using React.js for the frontend and a public weather API for real-time data retrieval. The app allows users to search for current weather conditions by city name, displaying detailed weather information including temperature, humidity, wind speed, and weather condition.

Instamart

- Developed a Full-Stack e-commerce platform using Java for backend services, enabling users to browse, search, and purchase products online.
- Designed and implemented RESTful APIs for product management, order processing, and user authentication.
- Utilized technologies such as JSP, Servlet for the frontend, and OracleSql for database. and Implemented secure user authentication with session management and password.

Additional Information

- **Languages:** English (Intermediate), Hindi
- **Interests:** Full Stack Development, Coding, A.I.
